<b>Description</b>			
<p>Have you ever wondered what lies beyond reality's confines? What if there existed a secret dimension filled with endless corridors, yellow wallpaper, and buzzing lights? What if you accidentally crossed the world's borders and became stranded in this limbo? This is the idea of [backrooms](<a href="https://backroomsgame.net/">https://backroomsgame.net/</a>) , a game based on the same-named internet urban tale.</p> <p>Backrooms is a game that delves into the concept of liminal spaces, or transitional or in-between locations such as hallways, staircases, or waiting rooms. These locations are frequently connected with a sense of dread, nostalgia, or mystery. Backrooms has you playing as someone who has somehow gotten into the backrooms, a large and limitless network of identical rooms that defy logic and physics. Your objective is to discover a way out, or at the very least to survive as long as possible.</p> <p>Backrooms is a genre, not merely a game. There are various games based on the concept of backrooms, each with their unique twist and characteristics. Among the most notable examples are:</p> <ul style="list-style-type: none"><li>• <b>BACKROOMS:</b> A game featuring a feature-length story, hard puzzles, and first-person action that seeks to give a polished and immersive experience. Purist mode, survival mode, and time challenge mode are among the game modes that allow you to tailor your experience. The game is currently being developed and will be available on Steam.</li><li>• <b>Play The Backrooms Game: FREE Edition</b> to avoid going nuts. The game features an unlimited level creation mechanism as well as a madness system that impacts your perception and gameplay.</li><li>• <b>Escape the Backrooms:</b> An online cooperative game that allows you to play with up to four other people. There are numerous stages and entities to encounter, as well as equipment and weapons to utilize throughout the game. The game also receives free content upgrades that include new levels and gaming modes.</li></ul>
