Description			
<p>Candy Crush is a popular mobile game that combines puzzle-solving and matching skills. In this game, players are presented with a colorful grid filled with various types of candies. The objective is to match three or more candies of the same color in a row or column, which will cause them to disappear from the grid and earn points.</p> <p>The game challenges players to strategically swap adjacent candies in order to create matches and clear the board. As the levels progress, new obstacles and challenges are introduced, such as jelly-filled squares, chocolate blocks, and other special candies with unique powers.</p>
