Description

[dino game](#) is a simple running game where you control a T-Rex and try to avoid obstacles for as long as you can. This Dino Game was first built into Google Chrome in 2014, where it could be played without an internet link. What to Do To start going, press the space bar. Use the space bar to jump over things. The speed goes up the farther you go, so you need to plan your moves around that. You'll also see birds. Don't try to jump over the one that's flying the highest. About the first game with dinosaurs In 2014, Google UX workers Sebastien Gabriel, Alan Bettles, and Edward Jung made the first Dino Game. The game is built into Google Chrome, and when the online browser is offline, it shows up as a warning page. Chrome Dinosaur is a very popular game. In 2018, the people who made it said that it was played about 270 million times per month. A [dinosaur game](#) Called Many Things The game is also known by many other names, such as T-Rex Runner, Chrome Dino, and Dino Run.
